

26.10.07
FRIDAY

Contributions of the Gülen Schools in Kyrgyzstan

by *Ibrahim Keles*

Panel:
The Gülen Movement in
the Muslim World 1

Venue:
B202,
Brunei Gallery, SOAS

Sebat International Education Institute has been operating for over 15 years in Sebat, Kyrgyzstan, educating and training the Kyrgyz youth. The institution has won a high reputation for quality education through excellent results, demonstrated by its students' high grades in international and domestic scientific competitions. This paper studies the impact of this institution on values among Kyrgyzstan youth, and compares its educational principles, policies and effects with those of other educational institutions in the city and country.
